Sounds of Educators

Lisbon High School began the fall term under the direction of a new superintendent. After faithfully serving the Crestview district, Mr. Joseph Driscoll came to head the supervision of Lisbon schools.

During the first year in the Lisbon School District, Mr. Driscoll has been confronted with many new problems and experiences in addition to those routine matters which school administrators face daily. In conjunction with the Board of Education, Mr. Driscoll has carried out all duties as Superintendent quite skillfully. The Board of Education has been responsible to the public for a full educational program. Much time and energy has been unselfishly given by these civic minded individuals to carry out policies and services for the benefit of students and faculty.

Mr. Joseph Driscoll

Administrators Exemplify Ambition

For nearly twenty years, Mr. George M. Nace Jr., has faithfully served David Anderson High School as principal. In these years of service, Mr. Nace has been responsible for the performing of routine school matters and the maintaining of proper order and conduct. In addition to these everyday tasks, he has given guidance when asked and assistance where needed. His competent administration has been the central organ in the functioning of our high school. The students of David Anderson wish to extend their sincere appreciation to Mr. Nace for his untiring devotion.

After Four Long Years, Seniors Receive Diplomas

In the fall of 1967, the Senior Class passed through the doors of David Anderson. Members were ready and willing to accept the privileges as well as the challenges which awaited them.

With the junior year a memory, the seniors eagerly accepted the role of leaders of the school. Individuals capably filled club offices and represented the class in band, chorus, on the athletic field, and in all other extra-curricular activities. Selling refreshments at summer baseball games sponsored by the Hot Stove League and presenting the senior class play, furnished funds for these activities.

Finally came Senior Day and the last few weeks of high school. Baccalaureate and Commencement ended the eventful year as the Class of 1967 sadly parted, each to go his separate way.

Leadership, Achievements, Ambitions Mark the Junior Year

The 1966 school year proved to be quite exciting for the Class of 1968. The juniors finally became upperclassmen when, on September 14,1966, class rings were received.

The juniors worked diligently throughout the year to earn money for the climax of the year-the Junior-Senior Prom. A few of the tasks performed to raise money for the Prom were managing the concession stands at football games, sponsoring a record hop, and cleaning the grandstand at the County Fair.

The class was well represented on the football and basketball squads, National Honor Society, Pep Club, Key Club, Leaders Club, the Football Homecoming Court, band, cheerleading, and other activities.

In the spring, the American History Class made the annual field trip to Gettysburg, Pennsylvania. As the year came to a close, the Class of 1968 became anxious at the prospects of becoming seniors.

Juniors work tirelessly preparing the football concession stand, the major money making project.

Sophomores . . . Another Step Towards Achievement

With a year of high school behind them, the sophomores entered David Anderson High School prepared for a year of hard work mingled with memorable moments. Although the work had become harder, the sophomores enjoyed the fun of school days as well as special occasions.

Members of the class of '69 were found on the football and basketball teams. Sophomore girls fought hard during noon intramurals and cheered loudly as Reserve cheerleaders. Taking an active part in the many extracurricular activities in the school, the sophomores began to hold positions of leadership.

At the end of the year, an event which had been anticipated by every sophomore occured. After choosing their class rings the sophomores looked forward to fall when they would become upperclassmen.

Beginning the Long Climb Toward Success

The members of the freshman class began the year with mixed feelings. After recovering from the shock of a new school, the class of '70 began to enjoy high school life. The freshmen mixed fun with studies and found a happy medium.

The freshman class was well represented on the football team and in noontime intramurals. The freshman basketball team enjoyed a triumphant season and was awarded a trophy for their efforts.

Freshmen were also found in Pep Club, Future Nurses Club, Home Economics Club, Cheerleading squad, Key Club, *Olympian* and Students' Voice staffs.

SPORTS

Blue Devil Gridders

The 1966 Blue Devils debut was made on Sept. 9, 1966, with a close 13-12 victory over the Carrollton High School Warriors. A heart-breaking 21-12 defeat at the hands of the United Golden Eagles ended what seemed to be a long year for everyone.

In pre-season work-outs the Devils appeared to be a promising team with improvement evident in almost every phase of the game. However, right from the very beginning the team was plagued with injuries which hindered the players' efforts at every turn. Although the season proved frustrating to all who participated, the boys profited from the valuable experience, and the student body remained loyal to the end.

A Dreary Evening, Brightened By the Happiness and Glowing Smiles of the Royalty

A damp and dreary evening provided the setting for the 1966 Football Homecoming, held during halftime of the Lisbon-Poland football game. As the band played "Sweetheart of Sigma Chi," a rain-soaked crowd watched as the retiring queen, Miss Beverly Webber, crowned Miss Bobbie Brinker the 1966 Football Homecoming Queen.

Bobbie's activities included Pep Club, Y-Teens, Leaders, Future Nurses Club, Olympian staff, and French Club. Bobbie was also a member of Student Council and a varsity cheerleader.

Members of the Queen's court included Beth Haifley, the senior attendant, Sherri Toot, the junior attendant, Marcia Kuhns, the sophomore attendant, and Karen Hart, the freshman attendant.

Showing Great Potential, The Devils Had a Fierce Determination to Win

The 1966-67 Lisbon Blue Devil basketball record does not show a true picture of the team's capabilities or coaching. The final 4-14 record was a disappointment in the win column, but in spite of this, the Blue Devils proved to be, in Coach Pike's words, "an exciting team to watch."

At the end of regular season play, Co-captain Don Blair was unanimously elected to first team Tri-County with Co-captain Mike Seidner and junior cager Stan Barefield being named to the Honorable Mention list.

The Freshman basketball team completed the season with an outstanding 9-1 record, going undefeated until the final game. But they sprang back with renewed spirit and determination to place first in the district tournament for freshmen, with Jim Courtney receiving awards for most outstanding player and high point man of the tournament.

Enthusiasm Bursts When Hurdles Are Jumped and Laps Are Run

This year saw the revival of a sport very popular in earlier years at David Anderson High School. A track team, under the coaching of George Ceremuga, was organized. The boys worked out each evening after school at the fairgrounds. The team participated in several track meets in events such as the broad jump, shot put, discus, and several running events. This year has shown that track will be an outstanding varsity sport and a welcome addition to the school's athletics.

Leaders Club

Leaders Club, one of the most outstanding organizations in the high school, met every Wednesday night from seven to eight o'clock in the gymnasium. The purpose of the club has been to promote athletic interest among girls. In the early part of the year, the senior and junior members elected sophomores and juniors to become new members of the club. Scholarship, leadership, personality, and playing ability were the qualifications necessary for participation.

The main contribution of the Leaders has been to officiate at all girls' intramural games. Other activities have included two annual Junior-Senior games and Old Leaders' Night.

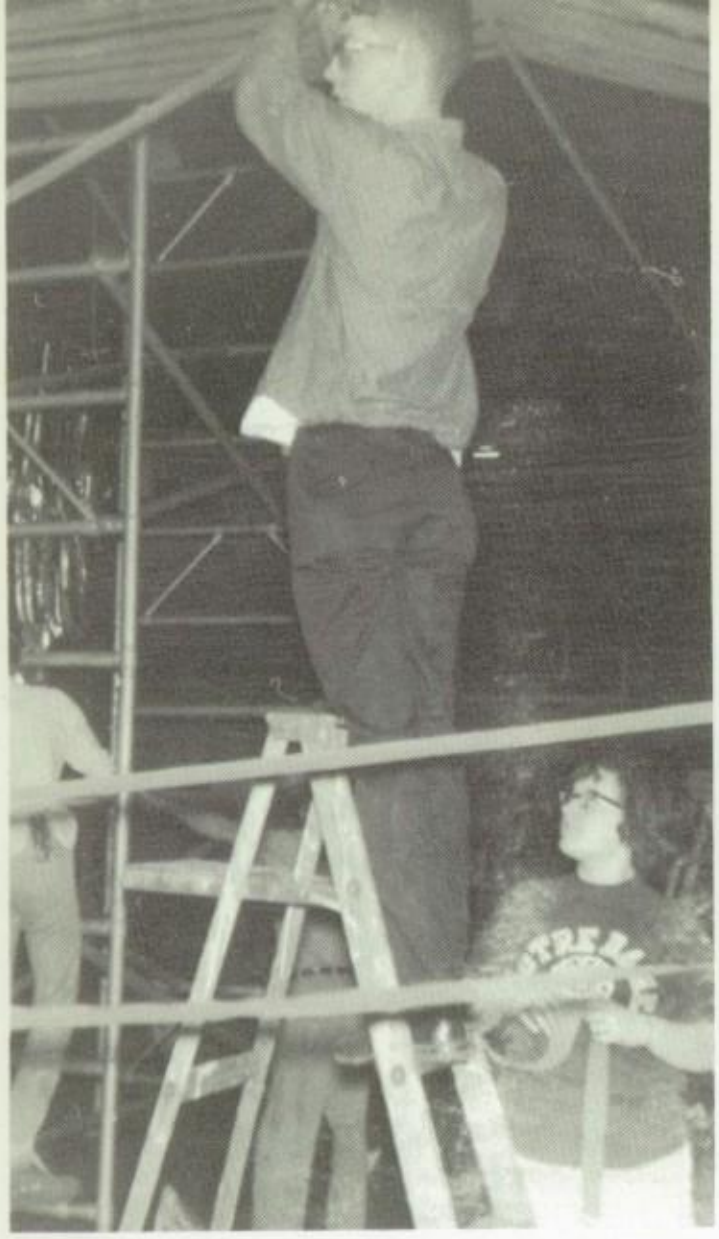
ACTIVITIES

A lovely Susan Miller, dressed in shimmering blue, reigned as queen of the Junior-Senior Prom.

The Glow of a Spring Evening, Highlighted by "A Touch of Magic"



Jim Kelm and Kay McMillan help complete the ceiling as the Junior-Senior Prom begins to take shape.

An exquisite powder room, touched by magic, glistened with beauty and elegance.

On the evening of May 6, 1966, the David Anderson High School gymnasium was transformed into an enchanted ballroom by "A Touch of Magic." Throughout the night, dreamers danced beneath a shimmering chandelier or strolled among giant flowers alive with magic. Refreshments were served by castle maidens in floor-length pastel gowns. Punch was poured from a crystal punchbowl enclosed in a glittering Cinderella coach.

The highlight of the evening was the crowning of the 1966 Prom Queen, Susan Miller, and the 1966 Prom King, Donnie Blair, by the retiring Queen and King, Lesley Jones and Don Rose. The crown bearers for the event were Ellen Riser and Tim Kuhns, dressed as a fairy princess and prince.

As the clock struck twelve, the prom-goers departed with fond memories of the past evening. It was certainly an event that will not soon be forgotten.

Y-Teen Club

Under the guidance of Miss Eileen McCullough, the Y-Teen Club of David Anderson High School completed another school year with service to others. This organization was composed of junior and senior girls who have had an interest in aiding those in need.

Some of the activities enjoyed by these girls were a Can-Can Christmas game, a Sadie Hawkins Dance, a Christmas party for underprivileged children, a Mother-Daughter Banquet, a speedball game against the Key Club, and a special Thanksgiving assembly presented before the entire student body. A new event, created by the Y-Teen Club and enjoyed by all, was the semi-formal Christmas Dance.

Many have benefited from the accomplishments of this group of young, ambitious teens. The hard work and efforts have proved rewarding to the girls and also to the school and community.

Key Club

The Key Club, sponsored by the Lisbon Kiwanis', was a school and community service organization. The members were very active throughout the year by setting a new policy of working two or more Saturdays per month on various projects. These services included rennovating the Veterans Memorial at War Memorial Stadium, managing the parking lot at football games, ushering at basketball games, and polishing the school's trophies. Members collected money for the Community Chest, Heart Fund, Muscular Dystrophy, and Multiple Sclerosis.

Key Club was also active socially. Members visited a Cleveland Browns football game, participated in a speedball game against the Y-Teens, sponsored a dance, and enjoyed several parties.

This organization has gained respect and admiration for services performed. The Key Club has attained state wide recognition for the successful efforts to better the school and community. Club members hope to retain such a good record.

Math Club

The Math Club, under the supervision of Mr. Keyser, enjoyed a busy year. The club was composed of members of the senior advanced math class.

The members of this organization spent many noon hours helping other math students with remedial work. The club also enjoyed several field trips planned by Mr. Keyser.

While the club spent much time in organization and planning, the participants did much to provide for the future needs of the membership. It is hoped that each year will widen the activities of the individuals and continually produce a much larger membership.

Through its accomplishments this year, the Science Club has proven to be a truly worthwhile organization for the school. It has indeed been an asset to David Anderson High School.

In addition, students have enjoyed reading hallway gossip, features, and sports comments. An article new to the paper, "Car of the Month," contributed to the knowledge and the enjoyment of the students. To those who read the *Students' Voice*, the hours sacrificed by the staff were greatly appreciated by the student body.

Beverly has led her fellow students in such activities as Y-Teens, Student Council, National Honor Society, Journaleers, Latin Club, Chorus, Future Nurses, Leaders Club, Senior Advanced Math Club, and Pep Club. The Beat of the Drum Sets Pace for Musicians

The 1966 Lisbon High School Marching Band, under the leadership of its capable new director David A. May, provided entertainment during the football halftime shows with uniform drills and formations. Snappy majorettes and precision banners provided an added attraction to the already well-disciplined marching unit.

In addition to these weekly performances, the band added vitality and enthusiasm to school pep rallies and bonfires. The group also performed in the Thanksgiving Parade in Pittsburgh and in local Thanksgiving, Christmas, and Labor Day Parades.
